

## Garbutt Brothers (Purple Skip Hire)

### Environmental Policy Statement

The main function of Garbutt Brothers (Purple Skip Hire) is to provide local industry and households with economic recycling and waste disposal services resulting in a positive impact on the environment. We recognise our responsibility to manage the effects of our operations particularly with regard to the transportation, storage, handling and processing of waste.

We will comply with the environmental protection act 1990 and all other relevant environmental legislation, ensuring all our activities are sympathetic to the environment, paying particular attention to the safe use and disposal of hazardous materials and the control of emissions, noise pollution and dust hazards, through full compliance with all relevant legislation.

Garbutt Brothers (Purple Skip Hire) will :-

- apply the waste hierarchy to all waste, eliminating and reducing waste where possible, as well as maximising the reuse and recycling of all waste materials
- comply with all appropriate waste / environmental legislation.
- Seek to meet the Noise at Work Regulations 2005 and adhere to the requirements made by local authorities under the Control of Pollution Act.
- Protect the environment and our employees from damaging noise exposure as laid down by the noise at work regulations 2005.
- Execute work so as to minimize the levels of dust arising from site operations
- Ensure that all water courses are maintained to the highest standards, and cleanliness of water flow is maintained at all times.
- Take precautions against accidental or malicious spillage of toxic substances, which may filter into water courses.
- Comply with the control of substances hazardous to health (CoSHH) Regulations 2002
